**Purpose:** The purpose of Pride Student Union (PSU) is to support and educate members of the University of Florida, allies, and surrounding communities with regards to our community's issues and concerns. Pride uses social networking, discussions on relevant issues, the promotion of equality and activism, and the development of student leaders to accomplish these goals. We also operate via programming, speakers, socials, panels, and weekly general body meetings.

**Intent:** The intent of this line item transfer is restoring the travel line to the maximum of \$1,400 for reimbursement for the Creating Change Conference. Change has created opportunities for many thousands of committed people to develop and hone their skills, celebrate victories, build community, and to be inspired by the LGBTQ movement and allied movements for justice and equality.
