Purpose: Lucha Latina is an organization dedicated to latina empowerment at the University of Florida, this is done through three pillars; these are leadership, mentorship and community outreach.

Activities: We are able to fulfil these pillars by completing the following. **Leadership:** Through Lucha Latina, our members are prepared for interviews, how to dress professionally, and are shown ways of actively, becoming involved on campus around the Gainesville community. **Through Mentorship:** our members create bonds with each other and excel in order to create a safe space to share ideas, opinions and advice one another. **Community Outreach:** This pillar helps our members become involved with the community in order to foster a relationship outside of UF. This is especially important to create genuine relationships with graduating high school students in need of financial literacy when it comes to applying for scholarships such as the one we aim to provide.
